

Creating empowerment and engagement from the adoption community through online and face to face communications that feed into local, regional and national decision making.

We need your voice

adoptionuk
for every adoptive family

In partnership with Adoption@Heart, Adopter Voice invites you to join the online focus group starting on **Thursday 28th January at 8pm.**

The Black Lives Matter service from Adopter Voice is to ensure adopters who are from the Black community have an opportunity to explore what adoption means to them; the access and understanding of what support needs are, and to understand if the questions that are being asked by the sector are the right ones to encourage more potential adopters to come forward.

The Black Lives Matter service, it will also explore the challenges that are faced by other minority ethnic groups, taking into consideration each unique characteristic. Views shared within the focus groups, will be shared with Adoption@Heart to inform recruitment and support needs of the Black, Asian and Minority Ethnic community better.

Thursday at 8pm- 28th January, 11th February, 25th February, 11th March, 25th March 2021

The BLM focus group will be led by Adopter Voice Champion, Fran Lusack.

Fran is a single adoptive parent in Manchester who has experienced challenges during her own adoption journey and as a professional has a clear focus on equality and diversity so the perfect person to get this important service area started in the most positive way.
